PRODUCT DESCRIPTION

Through this innovative service we provide our customers a fully reliable and environment-friendly connection between the Italian seaports of Genova, La Spezia and Ravenna via the maritime/continental terminal of Melzo and the greater Basel area, which is one of the most important regions for the forwarding and transport industry. Feeding lines per rail to/from all operated Swiss railway stations and private sidings are being carried out by our so called "Swiss Split" service. Between Melzo and Switzerland we also able to offer on request the transport of road trailers.

The long distance between Frenkendorf and Melzo is operated by a direct shuttle train of IMS Rail Switzerland. From/to Melzo the the shuttle trains of our partner Hannibal guarantees 3 – 8 time per week the connection to the seaports of Genova, La Spezia and Ravenna.
